We are a coalition of 500+ businesses that work together to help businesses, just like yours, to succeed in the Skagit County area. We realize you're really busy doing what you do best: running your business! We represent your needs to government and local elected officials, provide free and low-cost advertising opportunities in the visitor's information center located in downtown Mount Vernon and online at MountVernonChamber.com, refer customers to your business and provide you with valuable information that can help you make wise decisions.

Builds Business Prosperity **We Help Grow a Strong Local Economy**

By phone, walk-in, email and internet, the Mount Vernon Chamber gives thousands of referrals each month. As a member, you will directly benefit from these new customers. You may be surprised how many consumers look for the Chamber plaque and window decal as a sign that you are a reputable member of the community.

Creates Better Connections **We Provide Opportunities to Network**

Chamber members have a better connection to the Mount Vernon community because they are connected to each other. Having these connections makes you a more efficient business person. Your circle of influence is over 500 businesses larger as a member of the Mount Vernon Chamber of Commerce. Use the services of the Mount Vernon Chamber to save you time.

Makes You More Visible **We Promote our Region**

Exposure comes naturally when you are a member of the Mount Vernon Chamber. After all, you can't count on advertising alone to give your business adequate community relations. Take full advantage of the benefits included in your membership. Press releases in our monthly Chamber Chat News, weekly E-Newsletter, brochure and business card display in our Visitor Information Center that is open 7 days a week, are just some examples.

Your Voice for Business Issues **In Government Advocacy & Political Action**

You don't have time to research all the business issues and trends that will affect you. Your Chamber membership gives you the freedom to focus on your business while we filter issues with local governments to protect your interests. You'll be alerted to issues and initiatives that deserve your attention so you won't miss a chance to be heard on decisions affecting your quality of life.
